HELP WANTED

Maintenance Technician – Luce Township Regional Sewer District

The Luce Township Regional Sewer District (RSD) is seeking a dependable, motivated individual to fill a Maintenance Technician position. The successful applicant will assist the Superintendent with all aspects of operating and maintaining a small regional wastewater collection system.

The Luce Township RSD serves nearly 800 customers through a wastewater collection system consisting of low-pressure main lines, grinder pump stations, and lift stations. The system collects sanitary wastewater and transports it to a neighboring contract treatment facility.

Job Responsibilities

The Maintenance Technician will perform general maintenance, troubleshooting, and repairs necessary to ensure the proper operation of the wastewater collection system. Duties include, but are not limited to:

- Troubleshooting, maintaining, and repairing grinder pumps and pump stations.
- Performing repairs to low-pressure main lines and system components.
- Maintaining and repairing lift stations.
- Monitoring system operations and responding to alarms or system issues.
- Performing routine preventative maintenance.
- Assisting the Superintendent with other duties as assigned.

Preferred Skills and Qualifications

- Mechanical aptitude and hands-on mechanical repair experience.
- Previous experience working with pumps, preferably grinder pumps, lift station pumps, or similar equipment.
- Basic electrical and troubleshooting knowledge is a plus.
- Ability to work independently and as part of a team.
- Ability to work with the public and complete assigned tasks in a timely and professional manner.
- Demonstrate integrity, honesty, and a commitment to supporting the goals of the Board of Directors.

Minimum Requirements

- High school diploma or equivalent.
- Must be at least 18 years of age.
- Valid Indiana driver's license with no restrictions.
- Mentally and physically fit to perform the duties of the position.
- Must be able to pass a drug test.
- Ability to lift at least 50 pounds.
- Ability to work from a ladder at heights up to 14 feet.
- Willingness and ability to work in an on-call environment.
- Ability to communicate clearly and effectively with others.
- Basic computer skills; Microsoft Office and Excel experience preferred.
- Must be capable of being bonded.

Compensation and Benefits

Salary will be commensurate with the applicant's qualifications, abilities, and experience.

Additional benefits include:

- Vacation PTO
- Sick PTO
- Bereavement PTO
- Paid Holidays

How to Apply

Interested applicants are encouraged to submit their qualifications and work experience for consideration to dphillips.ltrsd@gmail.com.

The Luce Township Regional Sewer District is looking for someone who takes pride in their work, has a strong mechanical background, and is willing to learn and contribute to the reliable operation of the district's wastewater collection system.
