SUPPORTING MAINTENANCE EDUCATION PROGRAMS TOGETHER

As presenting sponsor, HD Supply will contribute up to \$6,000* to enhance local apartment associations' programs, such as trade shows, education sessions, and maintenance appreciation days. A contribution will be made to each National Apartment Association affiliate that hosted a Maintenance Mania event this season.

HELP YOUR LOCAL ASSOCIATION BY:

- Purchasing products during the promotional period from the sponsors who make Maintenance Mania possible
- Using **Source Code H7G** every time you order during the promotional period†
- Placing your order at **1.800.431.3000** or at **hdsuppliesolutions.com/maintenancemania**

WHAT YOU DO IS MORE THAN A JOB

You are the problem solvers and the improvers. That's why HD Supply proudly supports maintenance education by sponsoring events like Maintenance Mania and offering career-accelerating training and certification classes.

EARN UP TO \$6,000* FOR YOUR ASSOCIATION

Use **Source Code H7G**, and for each order placed with HD Supply between May 16 - June 17, 2022, we will give a percentage of qualifying purchases to your participating association to use on multifamily industry education programs. Your association could receive a maximum contribution of up to \$6,000.*

PAYOUT IS 6% FOR QUALIFYING PURCHASES FROM SELECT BRANDS.

* The maximum contribution is based on association unit count as reported by NAA. Payouts to NAA members with fewer than 100,000 units are capped at \$4,000. Payouts to NAA members with 100,000 units or greater are capped at \$6,000. To be eligible, the total Net Qualifying Purchases by all of the NAA member's units must be equal to or greater than 1.00 times the total number of units for such NAA member, as reported by NAA. The payout is calculated as follows: 6% of Net Qualifying Purchases of any A.O. Smith®, Pfister®, Frigidaire®, Kidde® and Kwikset® products, plus 4% of Net Qualifying Purchases of any other product in the HD Supply catalog. *Net Qualifying Purchases* are gross purchases less returns, shipping, and taxes. Special-order and renovation purchases do not qualify for this program.

† Using the source code ensures you will receive the promotional pricing offered by the national sponsors in the brochure and allows HD Supply to track all Net Qualifying Purchases. Qualifying customers only. Images taken before COVID-19 and do not adhere to current CDC face protection and social distancing guidelines.

NEW QUALIFYING PROCESS

This year's Maintenance Mania National Championship will take place on June 22, 2022, in sunny San Diego!

This season, Maintenance Mania has adopted a new format for National Championship qualifiers. Participants are now broken up into two categories: Rookies and Veterans. Participants who have never qualified for a Maintenance Mania National Championship will be considered "Rookies," while participants who have previously qualified as finalists will fall into the "Veterans" category. As in the past, the ten (10) regional winners will earn an automatic berth. The traditional wildcard format will be replaced with the new Rookie classification. Once the 10 regional winners are determined, the 10 fastest Rookies will earn the remaining spots in the National Championship, regardless of region. This new format will ensure a healthy mix of newcomers and experts competing in our annual event, and bring a new level of excitement for those hoping to bring home the Maintenance Mania gold!

The first-place winner will receive a CAMT scholarship from NAA and their local affiliate (if offered). An array of additional prizes will be given to competitors from both HD Supply, the presenting sponsor of Maintenance Mania, as well as the program's national sponsors.

CHECK OUT OUR CARBON MONOXIDE GUIDE

Carbon monoxide can be deadly in just minutes if left undetected. In many states and municipalities, the installation of carbon monoxide alarms is required by law. Having carbon monoxide alarms properly placed throughout your facility can help detect unsafe levels of carbon monoxide.

Learn more at hdsupplysolutions.com/coawareness.
