

# Celebrate RPM Careers Week 2023!

April 17-21

Join us as we celebrate the amazing work of our talented residential property management (RPM) professionals during RPM Careers Week.

Still not sure how to celebrate your teams and communities for RPM Careers Week? Use these **online and in-person engagement ideas** and access our RPM Careers Week toolkit at [rpm.naahq.org/rpm-careers-week-toolkit/](https://rpm.naahq.org/rpm-careers-week-toolkit/).

**Brainstorm ideas** with your teams early in 2023 about how to make RPM Careers Week special for your community.

**Information sessions** are great ways to share the benefits of a career in RPM. Host a session about working in the industry, encourage your teams to invite their family and friends and consider offering a prize for attending.

**Social media shoutouts** are easy with the materials in the RPM Careers Week Toolkit. Use the hashtags **#RPMmoments** during the week and **#APTTeamsDay** on Apartment Onsite Teams Day on Instagram to be recognized by the industry.

**Your credentialing journey** will be easier in April using code RPM2023 for 25% off any Visto education course or credentialing program. Already have a credential? Share your journey and encourage colleagues to learn more at [gowithvisto.org](https://gowithvisto.org).

**On Apartment Onsite Teams Day, Wednesday, April 19, don't forget to highlight the work of your vital onsite property teams who keep our communities running.**
