DESCRIPTION

The statewide Awards Nomination Committee is comprised of representatives from each region (Awards Chair). The Awards Nomination Committee members will solicit nominations from their respective Regions for each of the five Leadership Florida awards with the goal of securing at least one nomination for each award from each Region. After the awards nomination deadline (February 7, 2025 at noon EST), the Awards Selection Committee will review, rate, and then meet to make final recommendations for winners in each of the award categories for the Board of Directors to review and confirm. The Awards Selection Committee is chosen by the Board Chair in consultation with the statewide awards chair. Once the decision for the awards has been confirmed by the Board, the Region Awards Nomination Committee Chairs can assist award nominators with preparing the award finalist videos for the Annual Meeting. The Award winners will be kept confidential until they are revealed at the Annual Meeting.
