

ATHLETICS

solutions

MISBO is your teammate when it comes to athletics at your school.

From new builds to renovations and repairs, the MISBO portfolio of contracts can assist with virtually any school athletic need. Our Consortium Partners can work directly with the school to help bring your vision to reality. These areas include gym equipment, (bleachers, goals, pads, and more), lockers, gym floors, paint, artificial turf, playgrounds, and beyond!

AUXILIARY SERVICES

Before and after the school bell rings... MISBO has you covered.

After care, extended days, summer camp, and enrichment programs are all important to the school community. Offerings outside the classroom can mean alternative revenue for the school, much needed childcare for parents, and exposure to a variety of activities for students. Our carefully curated contracts can help you tremendously with your bottom line.
