

Back to School Looks Different This Year.

Gymnasiums are being converted into classroom space and used in new and functional ways. Your beautiful (and EXPENSIVE) wood floors will need to be protected from traffic, chairs, and more. **WE WANT TO HELP!**

**COURT
ARMOR ROLL**

- Antimicrobial infused.
- Light weight & durable.
- Fast and easy installation.
- Acoustical properties of carpet

In an unprecedented offer, we are making our Court Armor roll floor protection system available to you, at an additional 15% discount over the 10% we already offer to MISBO members!
That is 25% in savings!

Orders require a 25% deposit down, and will ship after September 1st.

STAY HEALTHY!

Our Stay Healthy Social Distance matting brings awareness and reinforces the importance of maintaining a greater than usual physical distance to help decrease the spread of germs and provide a safer and healthier facility for all.

- Sticky back provides stability.
- Removable and Reusable.
- Antimicrobial infused.
- Low profile.
