

## Discover PebbleGo Content that Support Spring Themes

Explore our content maps that show a full listing of PebbleGo articles [here](#).

Visit our [Blog](#) for more PebbleGo Inspiration [here](#).

### New PebbleGo Certification!

The PebbleGo Certification Program is designed for educators in the community who want to deepen their understanding of PebbleGo, build confidence using it with students and promoting it with colleagues. The course provides a structured learning environment where you can earn a certificate that recognizes your product knowledge and classroom experience.

## Summer Reading Starts Here

Summer reading is all about curiosity-asking questions, exploring new ideas, and discovering what stories stick with readers.

Looking for ready-to-use booklists that align with national summer reading themes? Contact your sales representative for more information and for high-interest topics readers love!
