## ***Welcome to the City of Greenville!***

It gives me great pleasure to extend a warm welcome to all the attendees of The MISBO Annual Conference. We are honored to have you in our city.

While you're here we hope you will visit our revitalized downtown district as it is the place to be -- day or evening. Take a stroll down tree-shaded streets, enjoy a variety of international cuisines, visit our art galleries, and browse in the unique shops that line Main Street.

One of Greenville's greatest treasures are our multi-million-dollar public parks, Falls Park, and Unity Park. Falls Park features a pedestrian bridge over the 60' Reedy River waterfall. It is in the historic West End arts district on South Main Street. Unity Park is a newly revitalized area featuring food, drink and family recreation connected to downtown using the Swamp Rabbit Trail.

I hope you will enjoy the excitement, diversity of food, and hospitality for which this city is famous. Best wishes for a powerful conference and an enjoyable visit. We hope you will visit us again soon.

Sincerely,

Knox H. White, Mayor  
Greenville, South Carolina
