

RETURNING TO SCHOOL: STUDENT, FACULTY, & STAFF SAFETY

The U.S. education system is adjusting to the new normal as communities reopen following the coronavirus (COVID-19) pandemic. To ensure the health and safety of students, faculty, and staff, many schools and colleges/universities are requiring face masks as a safety precaution to prevent the spread of the virus. SEPG offers a range of face masks to fit every budget while maintaining superior filtration performance.

Our reusable cloth face masks are available and suitable for general use as recommended by the CDC. These masks are modeled after the face mask designed by Hanes® and are made of 100% heavyweight cotton, featuring a Silvadur™ and Repellan® finish. 69% Filtration is based on 1-ply face masks (as shown below). Our masks are 2-ply, in addition to having a silicone and antibacterial/antiviral repellent finish.
