

In partnership with Grainger, MISBO and E&I Cooperative Services.

MISBO member institutions can now take advantage of unprecedented contract enhancements providing even greater savings with Grainger for MRO Supplies.

With over **1.5 million products** available, Grainger is the industry leader in **Maintenance, Repair and Operations** solutions for educational institutions.

Your Grainger contract is designed to continue to provide value to the institutions' many departments including **Facilities, Housekeeping, Athletics, Sustainability, Campus Safety**, and more.

Contract Overview:

- ✦ A total of **35 categories** represented with a minimum of **15% or greater discount**
- ✦ Even greater category discounts for **air filters, cleaning products, motors, hand/power tools, HVAC/refrigeration, safety, electrical, and plumbing**
- ✦ **E&I Core Market Basket** comprised of the top items in the top educational categories
- ✦ Customized School Hot-List — Ability to customize up to an additional **1000 items** with even stronger pricing specific to the needs of your campus

For more information, contact Jay Danielson, Director, Vendor Relations, MISBO, at 404.921.3813 or jaydanielson@misbo.com.

If your institution is not currently using the E&I Grainger program, or if you are not sure which program your institution is utilizing, please complete this quick **Member Program Participation Form**. This will ensure your institution will begin enjoying even greater savings through the enhanced E&I Grainger contract.
