HOW EPAYMENTS SUPPORT BUSINESS  
CONTINUITY FOR ACCOUNTS PAYABLE

**The global pandemic has created unforeseen business circumstances.**

**Companies have critical gaps  
in their business continuity plans.**

**Businesses are urgently scrambling to pay their suppliers and enable a 100% remote workforce.**

**This webinar will help you  
manage through the pandemic,  
and any future business disruptions.**

How to rapidly launch  
an epayables solution  
today

How to enable a 100%  
remote workforce

Getting started with  
Paymerang

How to Rapidly Launch  
**an Epayables Solution Today**

“Paymerang worked diligently with us to get us up and running in less than 72 hours in case we had to be out of the office due to mandatory quarantines. We can now run our AP and pay our vendors from anywhere!”

Megan Jurick, MAcc (SCPS '05) | Director of Finance  
Savannah Christian Preparatory School

# WHAT IS AN EPAYABLES PROGRAM?

## WHAT YOU DO

You Upload

You Fund

## WHAT WE DO

We Remit

We Reconcile

We Pay Cash Rewards

**60%** of businesses have a continuity plan in place, but only **37%** have the necessary technology to enable employees to work from home.

Only **54%** of businesses would be able to make all their payments remotely.

# WHY GO ELECTRONIC

## REMOTE FRIENDLY

Make payments from anywhere

## FASTER DELIVERY

Pay your vendors with the touch of a button

## HAPPIER VENDORS

Vendors get paid quicker

## PAPERLESS

Electronic process eliminates check stock and check fraud risk

## SECURITY

Eliminate fraud and exposure by outsourcing risky activities

## REVENUE

Generate new source of revenue with our cash back rewards

Ensure fast payments to vendors

Quick access from any device, anywhere, anytime

All sensitive data is stored in the Paymerang app

Maintain ironclad security

Launch an ePayments program in less than 30 days

30

Days or less to get up and running

92%

Of client say implementation was way easier than they expected

20

Hours or less of a client time to implement

How to Enable a 100%  
**Remote Workforce**

“With the pandemic and the need for our office to work remotely, Paymerang has become a necessity for us. We would not be able to operate remotely without it!”

Melissa Woodin  
Controller, Hotchkiss School

Working from Home

“Social Distancing”

Working Remotely

Telecommuting

New Infrastructure

Malicious Insiders

Security Controls

Email Scams

- Predetermined business continuity plan
- Monitor and follow recommendations from health organizations and local and state governments
- Employee cross training
- Work from home testing
- Security training

Our IT team worked diligently to implement readiness measures as part of our multi-pronged business continuity plan.

- Provide authorized communication tools
- Use VOIP soft phone on PCs
- Trained and enforced secure office environment
- Establish remote model technical support

Follow these guidelines to ensure your team and organization's sensitive data remains secure.

- Verify communications
- Think before you click
- Slow down and verify
- Report a suspected attack immediately

- Daily standup
- Use video chat
- Daily metrics
- Weekly 1:1
- Weekly department meetings

Here are a few helpful tips you can implement today to adjust to your new work from home environment.

1. Create a routine
2. Make a workspace
3. Set expectations
4. Address underperformance
5. Take breaks
6. Stick to a schedule

# Getting Started **with Paymerang**

"The Paymerang team takes care of almost everything—the work is not on you. Once you make the switch, your only regret will be that you didn't do it sooner."

- Processing billions in payments each year to over 200,000+ vendors

- Partnered with VISA, Bancorp Bank and over 30 industry associations
- Industry-leading risk management (PCI, SOC, NACHA, OFAC)
- Best-in-class electronic payables program proven to deliver efficiency, security and profitability

## PAYMERANG'S NET PROMOTER SCORE

## WHAT IS A NET PROMOTER SCORE

NPS is a customer loyalty metric that measures customers' willingness to make another purchase and make a recommendation to their family, friends or colleagues.

A Net Promoter Score can range from -100 to +100 depending on how loyal and enthusiastic a company's customers are.

## HOW WE MEASURE UP

To get started, all we need is a Vendor and Payment file
