SNEEZE GUARDS

Protect customers and employees from the spread of germs and bacteria by installing a sneeze guard. The clear acrylic guard is easy to install and comes in permanent and free-standing versions. Put a protective barrier between individuals to help stop the spread of COVID-19 by installing sneeze guards at grocery store checkouts, hotel reception, banks, hospitals, and more.

3 SIDED FREESTANDING ACRYLIC

"Wings" on the sides add an additional level of protection and stability. Ideal for front desks, reception areas, etc. Ships flat.

Size: 31" h x 23" w x 12d

Other custom sizes also available.
