

Patron Sponsorships

Members of the Atlanta Apartment Association can receive additional recognition by contributing at a higher level toward the goals and objectives of the Association. As outlined below Silver, Diamond, Gold and Platinum Patrons receive special member benefits in recognition of their support.

Upgraded memberships are maintained from year to year when timely payment is received. The categories are completely voluntary and are open to any member who meets the Association's membership qualifications. In the event of an opening in the Gold or Platinum categories, Silver and Gold Patrons are provided the first opportunity to upgrade to the next level.
