## Labor Jurisdictions - Georgia

### LABOR

Georgia is a "right-to-work" state. Exhibitor personnel may set up their own exhibits if so desired using their own tools and company personnel. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates using the enclosed order forms.

### EXHIBIT LABOR JURISDICTION

Exhibit labor claims jurisdiction for the installation, dismantling and first cleaning of prefabricated exhibits and displays when this work is done by RPM personnel. They may be employed by completion of labor forms enclosed in this manual.

Union Labor is not required to put your products on display, to open cartons containing your products, nor to perform testing, maintenance or repairs on your products.

### MATERIAL/FREIGHT HANDLING JURISDICTION

RPMXPO Services has the responsibility of receiving and handling all exhibit materials and empty crates that come in via over-the-road carriers. It is RPM's responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the exhibition. RPM will not be responsible, however, for any materials they do not handle

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed away at the owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with RPMXPO Services to store empty crates. Please refer to the Material Handling Information sheet in this service manual for the handling of empties, disposal of skids, etc.

### GRATUITIES/BREAKS

Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon when the union has a 15-minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to RPMXPO Services.

### IN GENERAL

Exhibitors do not have to respond to grievances or complaints from union and trade personnel with respect to work jurisdictions. Please refer all such disputes and/or questions to RPMXPO Services management personnel immediately.

### SAFETY

Safety of everyone working in the hall is of our utmost concern at all times. Standing on chairs, tables and other furniture is PROHIBITED. The furniture is not designed to support your standing weight. RPMXPO Services cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Display Labor Order Form included in this manual and the necessary ladders and tools will be provided.

## F.A.Q.

### HOW DO I SHIP TO WAREHOUSE?

#### (i.e. advance shipment to warehouse)

- We will accept freight beginning 30 days prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Material Handling Order Form. Your freight will be accepted after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday 8:00 a.m. to 4:30 p.m. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.

### HOW DO I SHIP TO SHOW SITE? (i.e. direct to show site)

- Freight will be accepted only during exhibitor move in. Please refer to the Exhibitor Information page for specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, type of merchandise and weight.
- Certified weight tickets must accompany all shipments.
- Be sure to check your service manual if you are targeted for a specific date or time.

### WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- We do not accept collect shipments. Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading "prepaid."
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

### HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Material Handling Order Form page. We have also included in your service manual labels for both warehouse and show site shipments for you to copy and attach to cartons as needed.
- Some labels are color coded, so Please check the service manual before making copies.
- Try to label every carton that is skidded with at least your name & booth number.

### WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at the RPMxpo service Desk. Place a label on each container. Please consolidate containers if possible. Labeled containers will be picked up periodically and stored during the show.
- At the close of the show, the empty containers will be returned to the booths in random order. Depending upon the size of the show, this process may take several hours.

### HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lap of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound of the show - the time between your departure and the actual pickup of your materials. During the times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

### HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- For your convenience, ABF Freight will be on site to handle outbound transportation.
- Each shipment must have a completed RPMxpo Bill of Lading form in order to ship materials from the show. All pieces must be labeled individually. (You can pick up a bill of lading from the RPMxpo service Desk.)
- After materials are packed, labeled, and ready to be shipped, the completed RPMxpo Bill of Lading must be turned in at the RPMxpo service Desk. DO NOT leave the bill of lading in your booth.
- Provide your designated carrier with pickup information. Please refer to the Exhibitor Information page for specific dates and times. In the event your selected carrier fails to show on final move-out day, your shipment will be rerouted through ABF Freight.
- You must notify your carrier of the dates & times of pick-up if you are not using ABF Freight.

### DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by adding "riders" to your existing policies.

## Shipping Definitions

### **CRATED** - Referred to as "Common Carrier Shipments"

- Crates, fiber cases, cartons, etc. that are not stacked but placed side by side on the trailer.

**UNCRATED** - Referred to as loose or pad wrapped; i.e., your exhibit material is not protected in a shipping container.

### **ADDITIONAL HANDLING** - Referred to as "Van Line Shipments" or "Special Handling"

- In this instance, the carrier delivering your exhibit to the show is charging you by space used (per cubic foot) as opposed to charging by weight (per 100 lbs.) Exact measurements of your crates are taken by your carrier for loading and unloading the trailer. Customarily, these carriers charge in such a manner as is advantageous to them to maximize the space inside the trailer. This process may require additional RPMXPO labor to load/unload.

### **SMALL PACKAGE SERVICE** - Referred to as packages, cartons or envelopes.

- Any **single shipment** that arrives at the warehouse or show site weighing less than 35 lbs. In this category are shipments received from UPS, FedEx, DHL, AirBorne Express, etc.

### **\*Standard Time:**

- Monday-Friday 8:00 am to 5:00 pm

### **\*Overtime:**

- Monday-Friday prior to 8:00 a.m. and after 5:00 p.m. Also, all day Saturday, Sunday and observed union holidays.

### **In addition:**

- Advance shipments are subject to overtime if moved into show site during overtime hours due to scheduling conflicts beyond RPM's control.
- Shipments during "move-in" or "move-out" are subject to overtime charges if handled during overtime hours due to scheduling conflicts beyond RPM's control.
- If "move-in" and "move-out" are both on overtime they will be billed separately on your invoice.

### **\*Double Time:**

- All day Sunday, holidays and any time a worker works more than (12) hours in the same day.

## Money Saving Tips

### Helpful Hint for Small Shipments!

To reduce material handling costs, ship all materials in one shipment, not several shipments.  
example of savings below.

### Before the show...

### THE WAY

— Shipped as three parate shipments —

#### RECEIVED:

54 lbs. charged @ 200 lbs. min x \$58.24/cwt. .... \$116.48  
59 lbs. charged @ 200 lbs. min x \$58.24/cwt. .... \$116.48  
72 lbs. charged @ 200 lbs. min x \$58.24/cwt. .... \$116.48

**Total 185 lbs.**

**Total Cost:..... \$349.44**

### THE MONEY SAVING WAY

— Shipped everything together as a single shipment\* —

#### RECEIVED:

3 pieces totaling 185 lbs. @ 200 lbs. min x \$58.24/cwt. \$116.48

**TOTAL SAVINGS... \$232.96!**

- The Material Handling charge from RPMxpo for handling your freight should not be confused with the cost from your carrier to transport your freight to and from the show.

### After the show...

- 1) Obtain an RPMxpo Bill of Lading from the service Desk.
- 2) Once your freight is packed and ready to ship, complete and return the RPMxpo Bill of Lading to the service Desk.
- 3) If not using ABF Freight, you must make and/or confirm arrangements for pick-up with your choice of carriers.
- 4) Be sure your chosen carrier is declared on the RPMxpo Bill of Lading.
- 5) Make sure all crates, packages, etc. are clearly addressed (remove all old address labels).

\*Failure to follow the steps could result in freight being re-routed through ABF Freight and assessed additional shipping charges.

5. **INDEMNIFICATION.** Exhibitor agrees to indemnify, forever hold harmless and defend RPMxpo and their employees, officers, and agents from and against any and all claims, cause of action, fines, penalties, damages, liabilities, judgments, and expense on account of personal injury or death, damage to or loss of property or profits arising out of, or contributed to, by any of the following:

RPMxpo's **LIABILITY LIMITS.** If found liable for any loss or damage, RPMxpo's sole and maximum liability for loss of or damage to EXHIBITOR'S materials will be limited to the repair or replacement with like kind and quantity, subject to a dollar amount not to exceed \$.50 per lb. per shipment based on the weight of the article(s) lost or damaged, or a maximum liability of \$50.00 per shipment, whichever is less. RPMxpo shall in no event be liable for collateral, exemplary, indirect costs or damages, or loss of sales resulting from or related to a claim for loss or damage of material. In no event will RPMxpo be held liable for any concealed damage-no exceptions.

8. **PAYMENT FOR SERVICES MAY NOT BE WITHHELD.** In the event of any dispute between EXHIBITOR and RPMxpo relative to any loss or damage claim, the EXHIBITOR shall not be entitled to and shall not withhold payment to RPMxpo as an offset against the amount of the alleged loss or damage. Any claim against RPMxpo shall be considered a separate transaction and shall be resolved on its own merit.

This applies to all trucks, due to the height of the truck bed, which cannot be unloaded at the docks. If crated materials are combined with uncrated and loose materials in the same shipment and the bill-of-lading does not identify the various classifications, the whole shipment will be charged at the UNCRATED AND LOOSE MATERIAL RATE, PLUS SPECIAL HANDLING RATE.		

ALL SHIPMENTS MUST BE NT PREPAID and all shipments must have a bill-of-lading showing number of pieces, weight, and description of merchandise. Display freight should be on a separate bill-of-lading from machinery freight. Mixed shipments will be charged at the Display freight rate. Trucks without a bill-of-lading or documented weight will be directed to a public scale or estimated weights will prevail. Estimated weights will be binding by both parties.

- Rates are bad on incoming weight only. All weights are rounded off to the next 100 lbs. (cwt). Each shipment received is considered parately. Freight handling charges are the responsibility of the exhibitor.
- Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.
- Empty container labels will be available at the serviceDesk. Affixing the labels is the sole responsibility of the exhibitor or his representative. RPMxpo services assumes no responsibility for removal of containers with old or empty labels or for valuables stored inside containers while containers are in storage.
- Outbound shipping labels & bills-of-lading will be available at the serviceDesk. Exhibitor or his representative must pack & label their exhibit material and turn in a bill-of-lading for each shipment at the serviceDesk before leaving the Show. RPMxpo services will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick-up by the removal date of the Show, RPMxpo services reserves the right to re-route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will be assumed by RPMxpo services.
