

# 2025 ACHIEVEMENT AWARDS

## Guidelines for Nominations

To make a nomination, please send all of the following information to AABC :

- Nominee's name, degrees, address, telephone number, and email address.
- Category for which person is being nominated
- Evidence of meeting the criteria for this award (250-500 words)
- Person who is making the nomination, address, telephone number, and email address.

Send to: AABC Awards Committee at [KateBauer@BirthCenters.org](mailto:KateBauer@BirthCenters.org).

Deadline for 2025 Nominations: **JULY 8, 2025**

## Criteria for Awards

### PROFESSIONAL

1. Licensed practitioner or administrator in an out-of-hospital setting for 5 years and/or member of AABC for 5 years.
2. Actively supportive of birth centers as an alternative birth site option in the community.
3. Active in promoting birth centers as a cost-effective, health-oriented alternative for low-risk, healthy women/birthing people and families in areas of well-woman care, pregnancy, labor, birth, and the newborn period.
4. Has contributed to the advancement and/or establishment of birth centers in the United States.
5. Active in promoting ongoing community support of the basic philosophy of birth centers to the public (i.e. through public speaking, published articles, etc.)
6. Politically active and aware of the problems facing birth centers in the past and present. Committed to improving birth centers in the future; through continued upholding of birth centers as a safe alternative care for women/birthing people.

### COLLABORATING PHYSICIAN

1. Collaborating physician for a freestanding birth center for 5 years and/or member of AABC for 5 years.
2. Actively supportive of birth centers as an alternative birth site option in the community.
3. Active in promoting birth centers as a cost-effective, health-oriented alternative for low risk, healthy women and families in areas of well-woman care, pregnancy, labor, birth and the newborn period.

4. Has contributed to the advancement and/or establishment of birth centers in the United States.
5. Active in promoting ongoing community support of the basic philosophy of birth centers to the public (i.e. through public speaking, published articles, etc.)
6. Politically active and aware of the problems facing birth centers in the past and present. Committed to improving birth centers in the future through continued upholding of birth centers as safe alternative care for women.

### COMMUNITY

1. Supportive of the basic philosophies of birth centers regarding preventive health-oriented care for women and their infants in pregnancy, labor, birth and the newborn period.
2. Through community awareness programs and/or projects has contributed to the growth of birth centers or promotes birth centers as an alternate, cost effective health care option (i.e. - sponsoring support groups, lobbying to make legislators aware of consumer needs, talking to large groups, etc.)
3. Is a consumer of a birth center who is committed to the birth center future as the community health care option for normal, low risk women and their families.

### MEDIA

1. Supportive of basic philosophies of birth centers regarding preventive health-oriented care for women and their infants in pregnancy, labor, birth and the newborn period.
2. Accurate reporting of birth centers as an alternative safe, cost effective site for birth through excellence in newscasting, journalism, video promotion, websites, etc.
3. Active in support, through media, of alternative health care options and health care providers to promote health and wellness in the community.

### PUBLIC ADVOCATE

1. Active in sponsoring and/or supporting legislation supportive of the concept of birth centers and the basic philosophy of AABC.
2. Active in support of reimbursement from both private insurance and federal funds.
3. Supportive of preventive, health oriented, cost effective health care for all.
4. Supportive of health care alternatives and alternative health practitioners as safe, cost effective health care options for normal, low risk women and their families.
