Shotgun Start 12pm

Since 2010, Tee Off Fore Tatas has proudly raised over \$350,000 in support of breast cancer research at The Georgia Cancer Center.

In 2024, while Hurricane Helene forced us to cancel the tournament, the spirit of generosity remained strong. Several of our incredible sponsors, rather than request refunds, chose to donate their contributions—resulting in over \$18,000 raised for the cause!

We're excited to announce that this year marks the official debut of The Boobie Bash—a brand-new event held the night before the tournament! This special evening will feature our LIVE auction with amazing items up for grabs, plus delicious food, refreshing drinks, and plenty of fun. You won't want to miss it!

A heartfelt thank you to all of our volunteers, sponsors, and teams. Your continued support makes these events possible and brings us one step closer to a cure for breast cancer.
