

CONQUER COVID-19, DALLAS COUNTY

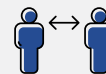

HERE'S WHAT TO KNOW ABOUT THE SAFE, EFFECTIVE AND FREE VACCINE:

- It will help keep you from getting sick with COVID-19.
- It does not contain the live COVID-19 virus.
- It is the safest way for your body to build immunity.
- With COVID-19 still spreading, it's more important than ever before.
- Once vaccinated, you may be able to start doing things you had to stop doing because of the pandemic, including gathering indoors with fully vaccinated people without wearing a mask.

REMEMBER TO PROTECT AND PREVENT:

WASH your hands

WATCH your distance

WEAR your mask
