Dear Friends,

Thank you for helping to support Guardian ad Litem. Floridians like you are helping to make our state the best place in the world to raise a family and have a great career.

Every child deserves a bright future and we must do everything we can to ensure all children are given the best opportunity to live happy, healthy lives. It's absolutely heartbreaking when a child is a victim of abuse or neglect. Anytime something horrific happens to an innocent child, we have to stop and think about what we can do to make sure it doesn't happen again. As parents and grandparents, we believe that every child deserves to have a warm and loving environment in which to grow and learn. We greatly admire people like you who provide Florida's children with hope for a brighter future.

Again, thank you for all you are doing for Florida's children.

Sincerely,
