Member of the Month

By: Ryan Farrell, AAGW

This month's Member of the Month is Cody Stout with Monarch Investment and Management Group. Cody has been in the industry and an active member of the AAGW since 2008 and is currently the Property Manager at Brookwood Apartments. Cody holds his CAM designation from NAA and has served on the Board of Directors with the AAGW for several years.

Cody brings a positive vibe to every room he enters and is often found on the dance floor, when available. He believes, "You are only as great as your team, so why not make your team the best they can be for your residents, and investors."

In his free time, he enjoys spending time with his 3-year-old daughter, Macy and socializing with friends and family. Thank you, Cody, for your continued support to the AAGW and always being one of the first people to raise their hands when volunteers are needed!
