Round for Hope · Hidden Lakes Golf Course

Thank you to all of this year's sponsors and volunteers who are making the Round for Hope golf tournament possible. This event has required a postponement and even the possibility of cancellation, but knowing the Center of Hope was faced with a rise in requests and hindered in holding their own fundraisers because of the pandemic, tournament organizers knew they had to do everything possible to make this happen. With everyone's help we will be able to impact many families in need right here in Wichita living in our communities. The generous support of the below companies during tough financial times deserves to be recognized.

"We are trying to help out more than we typically help as many have been without income for almost two months. I anticipate our funds will go out quickly so the tournament will definitely be a much needed blessing for many families. Thank you so much for your most kind support!"

-George Dinkel, Executive Director, Center of Hope

Member of the Month

This month's Member of the Month is a great joy to everyone she meets. Aimee Herrman works for Maxus Properties and has been the Property Manager at Cross Creek Apartments and Townhomes for the past 2 years. Aimee's recent involvement as the Star of Excellence Judging Chair shows her dedication to our association and shows she is always up for a challenge with that role requiring to coordinate hundreds of moving parts over several days.

Aimee's favorite part of our industry is the "Collaboration and diversity of people in the AAGW. We all share the same vision of helping others." The AAGW event she enjoys most is a toss up between the Round for Hope Golf Tournament, which she plans to volunteer at again this month, and the Cornhole Tournament. She enjoys seeing everyone in different settings and enjoys getting to know everyone. In her free time Aimee enjoys spending time with her family, especially with her two sons.

For 2020, the Maintenance Mania National Championship will transition to a new virtual format. This virtual competition will test the knowledge of maintenance professionals from across NAA's affiliate network and provide them with a chance to win prizes, and give one lucky professional the opportunity to be crowned the 2020 Maintenance Mania National Champion.

NAA is now accepting online competitor applications until **July 17th** and the competition is open to all apartment maintenance technicians working in the field a minimum of 32 hours per week and employed by a community in good standing with the AAGW. Applications, as well as more details on the event, can be found on both the AAGW and NAA websites.
