More Than Just Paint

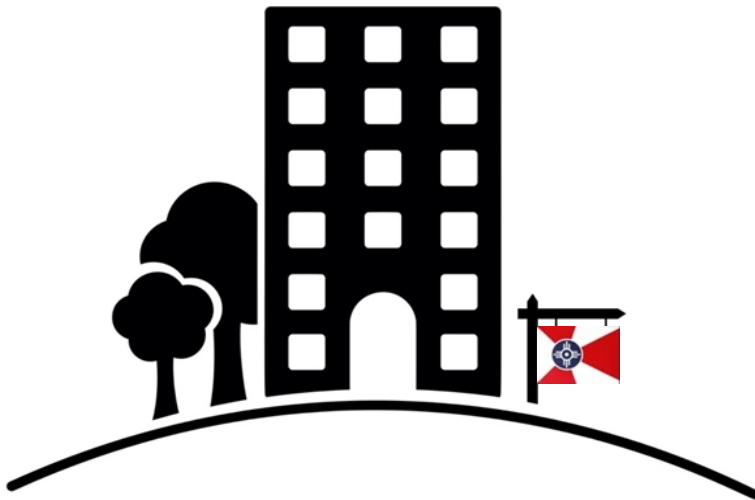

Since 1866

ASK SHERWIN-WILLIAMS!

Sherwin-Williams is the largest paint and coatings producer in the world, and is now the largest distributor of flooring in the United States, with one of the newest flooring centers appearing right here in Wichita, just last year.

We are more than paint; providing window blinds, water-resistant vinyl planks, durable carpeting, coatings and stains for pool decks, fillers for cracked sidewalks, silicone roof coatings for leaks, products for showers and tubs, and even microbicidal paint that kills 99.9% of bacteria on contact.

We are here to help your property get the attention it deserves!

Ask us! We Are Wichita Proud!

One of our key slogans is “Ask Sherwin-Williams!” this extends to your local reps, Ashley & Tom, who love nothing more than to see Wichita communities prosper. When people ask them questions, they get excited, and strive to find solutions to everyday multi-family and hospitality problems.

If you deal with environments that need to be sterile and safe, with a product that is basically a Clorox Wipe for your wall, we have a paint for that! If you have a floor that needs to be both durable and water-resistant, while updating the look of your space, we have a product for you too!

With thousands of product options with pleasing aesthetics, and functional uses, we aspire to be your one-stop-shop for all your paint and flooring projects.

Monarch Investment and Management Group has several new faces they would like to introduce this month. Paula Henderson (left) is the new Leasing Consultant for Mt Carmel Apartments, Elizabeth Godfrey (center) has joined the team as their Summer Intern, and Rachel Deese (right) has been added to The Club at Cherry Hills' staff as their new Assistant Manager. Good luck to all three of you!

Meet Your AAGW Board and Committees

This month's Spotlight Board Member is a very familiar face to the AAGW. Tom Stewart is our local Flooring Sales Representative for Sherwin Williams. Since joining the Board of Directors in 2013, Tom has been involved with the Star of Excellence Committee, Trade Show Committee, Round for Hope Committee, the AAGW Ambassador program, and our annual Give Back event, just to name a few.

He credits his success to building relationships with our community and says, "It is a great opportunity to have some fun and to garner relationships that help your business simultaneously." Tom and his wife have a large family but in his free time, he enjoys spending time outdoors, watching sports and traveling. Thank You Tom for your commitment to the AAGW.

Member of the Month

By: Cody Stout, Monarch Investment & Management Group

This month's Member of the Month, Randy Mcreynolds, has also been a familiar face to AAGW members for many years but has become most involved over the past 5 years. As a teenager, Randy got his start in the carpet industry while working for a local carpet cleaning company. In just a few years, the owners asked him if he wanted to buy the business. At the young age of 20, Randy became the proud owner of his new business, Color Brite Carpet Cleaning and Restoration.

Randy says his favorite part of the industry is, "Interacting with the people, being out and about all day instead of the same location has always appealed to me." He says his favorite event through the AAGW is the Star of Excellence Awards, rightfully, as Color Brite was recognized as the "Best Supplier Company" this past year. In his free time, Randy likes to spend time with his family, camping, and getting in a round of golf when he gets a chance. Thank you Randy for your commitment to the AAGW!

With the pandemic effects and election year, making sure our voice is heard is more important than ever. So while you are playing for a championship, you are also being an advocate!

With all proceeds going directly to NAAPAC, registration payments must come from individuals. Reserve your team's spot today by emailing admin@myaagw.com!
