SPOTLIGHT VENDORS

When disaster strikes, the clock starts ticking. You can count on BELFOR for rapid response with proven results and workable solutions to any situation, no matter how difficult. In the aftermath of a disaster, you'll want an emergency response service that you can rely on to get the job done. That's where BELFOR come in.

We offer emergency response solutions to safely secure your business and home, and to help prevent any further damage. These services are all carried out by BELFOR disaster recovery professionals, bringing years of experience and specialized knowledge.

Knowing where to call for assistance after you've been struck by disaster helps make the recovery process as quick and simple as possible during the most trying of times. That's why we make BELFOR's emergency disaster response team easy to contact —whenever you need us.

BELFOR operates a 24-hour hotline, 365 days a year. The hotline goes directly to our company-owned and operated Call Center in Michigan. Trained personnel will record the information about your loss and notify a BELFOR representative, who will contact you immediately. Once the information is confirmed, they will dispatch a crew to your business or home within four hours, depending on distance, other external factors, and if it is safe to do so.

To report an emergency loss, call our 24-hour emergency hotline at [800-856-3333](tel:800-856-3333).

GETTING TO KNOW MEGAN LEWIS!

By: Stacey Bradley, Case & Associates

Our Member of the Month is Megan Lewis with Case & Associates. Megan has been in the multi-family industry for 18 years! Her best years have been the last 8 she has spent with Case & Associates. Megan currently manages Huntington Park in West Wichita.

Before joining our industry, Megan worked briefly in real estate and did work as a housekeeper. While working in this industry, Megan obtained her Bachelors of Science in Organizational Management and Leadership. She uses her wealth of knowledge from several different aspects of the business to manage her property and team.

Megan enjoys many things the AAGW offers to the variety of resources, vendor relationships, and meetings/events she can attend. Her favorite event is the Round for Hope Golf Tournament. It is a time for Megan to help raise money for a great cause and have a ton of fun!

In her free time, Megan loves to spend time with her amazing kids and loves to travel! If she had to offer any advice to her colleagues it would be: Just Keep Going! Thank you Megan for everything you do for our industry and the AAGW!
