Getting to Know Brianna Fouquet!
By: Stacey Bradley, Case & Associates

Would you believe me if I said Brianna came into this industry through a Craigslist Ad?? I know right! I couldn't believe it either. After working in the retail sales industry-Brianna like most people was ready for change. She saw a listing for Assistant Manager at Kabredlos. When Brianna got the call for interview she was hesitant because she thought it was a scam. Thankfully it was not a scam and the rest is history! Brianna accepted the position and fell in love with the industry.

Now Brianna gets to enjoy her career and the job she loves most with Monarch. Brianna recently transitioned into the Area Manager for Wichita. Her favorite part of her job is training new employees. She enjoys watching them grow!

One of the reasons Brianna loves this industry so much is because of all of the new people she gets to meet! The ability to network and grow relationships with vendors is endless.

While our industry has amazing highs- Brianna is concerned with the possible changes that may come to Affordable Housing. With the many issues COVID presented like: supply chain issues, labor shortages, inflation. Brianna knows we might be in for a bit of a battle to continue to help our residents! But one thing is for sure...she's ready!

Since joining the industry and AAGW in 2015, some of her favorite events have been Round for Hope, The Give Back Events, and the Star of Excellence. Brianna is always looking for ways to help with the association. She is currently serving on the Board of Directors this year!

Work Hard, Play Harder is a motto Brianna lives by. But she also believes that one should BE KIND. You never know the battles others are fighting.

Thank you Brianna for all you do to support the AAGW!
