**THE RESIDENT RELIEF FOUNDATION** is driven by a single goal: to help responsible residents stay in their apartments during an unexpected financial emergency.

Whether it's a temporary work/job interruption, a car accident, a medical emergency or something similar, sometimes a person just needs a little help to get through a short dip in financial stability to keep going on their own.

**THE COLORADO APARTMENT ASSOCIATION** is a non-profit trade association representing owners, developers, management companies, and vendors of the multifamily rental housing industry. The association represents over 3,100 members who own and manage over 282,000 apartment homes.

CAA is supporting Resident Relief Foundation by matching donations made by its members up to \$30,000.
