

## **IN-PERSON EDUCATION COVID-19 POLICY**

Attendees are required to wear a mask (one will be provided if needed) in the main hallways and check-in. Once the student is seated, they are welcome to remove their mask.

Attendees will be asked to sanitize their hands when they come and go from the Education Center.

Attendees will check-in using the Education Center entrance door (left off the elevator, left at the main doors and then first door on the right).

AAMD has set the room to ensure social distancing requirements.

Attendees are asked to stay home if they feel sick or exhibit any symptoms (AAMD will happily provide a virtual link if student is unable to attend in person).

Avoid attending in-person if you have a cough or fever (AAMD will happily provide a virtual link if student is unable to attend in person).

Attendees will not be permitted in the main office area or kitchen.

AAMD will provide a mask and gloves upon request. Hand sanitizer will be readily available.

### **Please follow CDC guidelines**

Stay home if sick

Maintain a distance of at least 6 ft. from all other persons

Wash hands often with soap and water for at least 20 seconds, especially after blowing noses, coughing, or sneezing, or having been in a public place.

Use hand sanitizer that contains at least 60% alcohol if soap and water are not available.

Avoid touching eyes, nose, and mouth.
