

Notes from Statewide Multifamily Housing Industry on Hurricane Helene Relief
Tuesday, November 12, 2024

- **Water Supply:** No new updates on water since November 6. Currently, restoration efforts are progressing but time is the factor.
 - Maps of affected areas are available on the [AAWNC website](#).
 - The North Plant is expected to resume service sooner than the Swannanoa Plant, with resources prioritized for the North Fork plant, which will ultimately restore water to Asheville.
 - A precise map identifying which water plant serves each area has not been found.

- **Water Delivery:** Chadwell Supply has begun delivering water to properties in need.

- **Volunteering:** AAWNC Board members will volunteer at *Hands On Asheville* this Friday to support relief efforts.

- **WNC Strong Event:** Further details will be shared this week.
 - **Date/Time:** December 5, from 6:00 to 8:00 PM.
 - **Location:** Souther Williams Vineyard, Fletcher, NC.
 - **Registration:** Opening soon, and attendance is complimentary.
