

Exclusive AAOE Member Benefit Program with Meriplex

Empower your orthopedic practice with enterprise-level technology, security, and AI solutions—custom-built for healthcare. Through an exclusive partnership with Meriplex, AAOE members gain access to healthcare-focused Managed IT, Cybersecurity, Cloud, and AI services designed to enhance operational efficiency, protect patient data, and support long-term growth. (<https://meriplex.com/>)

Meriplex brings deep experience working with orthopedic groups nationwide, providing support that aligns seamlessly with your clinic workflows. Our healthcare-focused approach ensures compliance, scalability, and performance without unnecessary complexity.

Why Meriplex?

- Healthcare-focused Managed IT & Security expertise
- Proven success serving orthopedic groups nationwide
- Enterprise-level support tailored to clinical operations
- Integrated AI, cloud, and compliance-ready solutions

Exclusive Member Benefits for AAOE Members:

1. **Free Technology Stack Cost Analysis** - Uncover savings, identify vulnerabilities, and benchmark your current environment against industry best practices at no charge
2. **Free AI Readiness Assessment with Security Risk Analysis (SRA)** - Understand your practice's readiness for AI adoption while simultaneously completing your Security Risk Assessment requirements
3. **Cybersecurity Warranty Up to \$3 Million** - Financial protection and recovery support in the event of a cyber incident through Meriplex's exclusive partnership
4. **30% Off All Meriplex Services**, including Managed IT, Cybersecurity, Cloud, SRA, and AI Solutions

This partnership delivers measurable value for AAOE members—offering enterprise-grade technology and security expertise at a significantly reduced rate. Strengthen your infrastructure, enhance your team's productivity, and gain peace of mind knowing your systems are protected by a trusted healthcare IT partner.

Eligibility: Active AAOE members in good standing. Valid AAOE membership verification and a signed service agreement are required. Discount applies to new service contracts signed between March 1, 2026 and December 31, 2026.
