WELCOME

The American Academy of Orthotists and Prosthetists (AAOP) stands as the foremost center for education, clinical practice resources, and expertise within the orthotics and prosthetics (O&P) industry. We are dedicated to providing the profession with unparalleled resources, continuous educational opportunities, and a strong commitment to advancing clinical research. Our primary objective is to enhance professional expertise and increase awareness across the O&P community.

We invite manufacturers in orthotics and prosthetics to collaborate with us in initiatives that support mutual growth. Engage with us throughout the year and during our Annual Meeting and Scientific Symposium to maximize opportunities for connection and development.

This Media Kit offers an overview of the various engagement opportunities available throughout the year, including during our Annual Meeting. For more information, please visit our **Corporate Engagement** website. All transactions will be processed through your vendor portal, and your cumulative spending for the year will determine your Partnership status with the Academy.

We look forward to collaborating with you to engage the O&P community!

My best,

Kate Feuling

ANNUAL MEETING
EDUCATIONAL SESSIONS

The Academy is excited to share that more than 60%, nearly 100 sessions, of the Annual Meeting's educational content is delivered by our valued Industry Partners. This unique opportunity allows partners to expand their impact beyond the exhibit hall and engage directly with the Academy's highly involved O&P community through dynamic educational programming. A range of session formats, time slots, and agenda placements are available to help you meet your specific goals. All sessions include continuing education units (CEUs) and come fully supported with a complete audiovisual package: projector, screen, laptop, microphone, and podium.

CLINICAL TECHNIQUE

When: **Thursday, 2/11 & Friday, 2/12**
Where: **Breakout room**
Availability: **10**

Clinical Techniques expertly blend lecture and hands-on techniques to provide serious, in-depth programming. Utilize **60 minutes** to inform O&P professionals on new techniques, or to review current methodologies or technologies.

PRODUCT DISPLAY SHOWCASE

When: **Thursday, 2/11 & Friday, 2/12**
Where: **Inside Exhibit Hall on a dedicated stage during unopposed exhibit time**
Availability: **12**

Product Display Showcases provide the opportunity to offer a brief infomercial-style educational showcase in a theater inside the exhibit hall. These are **30-minute** presentations that highlight your company's services and products that are featured during unopposed exhibit times.

TECHNICAL WORKSHOP*

When: **Wednesday 2/10**
Where: **Breakout room, see time details below.**
Availability: **Differs by session type: One-Hour = 12, 90-Minutes = 24, 2-Packs = 12**

One-Hour Workshop: 8:00–9:00 AM

90-Minute Workshop: 9:15–10:45 AM, **or** 1:00–2:30 PM, as assigned by the Academy

One-Hour Workshop (2-Pack): 11:00 AM–12:00 PM **and** 2:45–3:45 PM, one morning slot and one afternoon slot will be assigned

Technical Workshops are factual presentations that offer new solutions to existing problems. These sessions provide an ideal atmosphere to share your expertise, demonstrate techniques, and provide you with the opportunity to discuss procedures that distinguish your company's products to O&P professionals.

** The 2-Packs include two, one-hour sessions, one will be hosted in the morning, the other in the afternoon. You may repeat your content, have two separate topics, or choose to have a Part 1/Part 2 format.*

INNOVATION STAGE

When: **Thursday, 2/11 & Friday, 2/12, these run all day**
Where: **Inside Exhibit Hall on a dedicated stage**
Availability: **10**

Welcome to the epicenter of cutting-edge ideas and pioneering breakthroughs. As an integral part of our Meeting, the Innovation Stage is where innovation enthusiasts, industry leaders, and visionaries gather to explore the limitless possibilities of tomorrow. Give the attendees a front-row seat to witness innovation in action. Help them discover the latest technologies, disruptive business models, and inventive solutions that are reshaping the industry with these **15-minute** mini sessions hosted on a dedicated stage, inside the exhibit hall.
