

The Academy TODAY is the O&P profession's premier educational resource. Published quarterly and mailed exclusively to Academy members, *The Academy TODAY* is an award-winning magazine that features the latest O&P research, in-depth clinical and technical articles, and case studies. Content in *The Academy TODAY* is authored by leading researchers, educators, clinicians, technicians, and rehabilitation experts—all with the goal of advancing orthotic and prosthetic care.

Each issue reaches some of the most educated, passionate, and involved influencers in the O&P community.
