

AASC CARES

AASC Members Making a Difference

AASC members make a difference every day, both in their communities and on their properties. Many of these acts of kindness happen quietly, yet they show the true heart of our industry.

We want to shine a light on the good you do.

Have you or your team:

- Supported a resident in need
- Helped a neighbor or individual
- Donated time, supplies or services
- Led or joined community service projects
- Gone above and beyond behind the scenes
