Join the industry's finest to learn the vital role an on-site manager plays between apartment residents and the community owner/investor.

The objective of the CAM program is to enhance the skills of the apartment manager, which can result in better managed and profitable rental properties, improved resident retention rates, and increased employee productivity.

CERTIFIED APARTMENT MANAGER®

CAM REQUIREMENTS

- Successful completion of all CAM Coursework (40 hours)
- Meet all examination standards within 12 months of declaring candidacy
- Minimum of 12 months of onsite property management experience (If you do have this requirement, upon completing your CAM you will receive a provisional CAM certificate until completed)
