Sponsorship Opportunities

The AASET Community Service Committee, also known as "HEARTS", participates in a number of community service events that are available for sponsorship annually. We identify avenues through which the Association and its members along with non-member volunteers may make worthwhile contributions to the Southeast Texas area. We offer support and help coordinate various projects and solicit contributions for various community service projects. Helping the less fortunate residents of Southeast Texas is our key priority and the focus of our committee volunteers.

How We Began

In 2012, AASET Members formed the committee now known as "HEARTS", with the pursuit of recruiting individuals who love helping others and wanted to give back to their local community by serving the less fortunate residents of Southeast Texas. Since that time, the committee has reached that goal and continues to succeed.
