Reopening of HUSD Schools Survey

Based on guidance from the Arizona Department of Education, we are planning to reopen schools on July 27, 2020. We will plan to open with increased safety precautions such as daily health screening protocols, physical distancing where possible and more frequent and improved cleaning and sanitation processes. In addition, we will encourage students and employees to wear masks when physical distancing is not possible, however we respect that this is a personal choice and face masks will not be required.

We also plan to offer remote learning for families who do not feel comfortable with returning to school in person yet.

As a member of the HUSD community, we value your input and appreciate your participation in this survey as we finalize plans for the 2020-2021 school year. Please complete this survey before Monday, June 8, 2020. Only one survey per family is needed. Your responses will remain anonymous.
