Bulletin de la Société Honoraire de Français

President's Message

Once again this year, we received more than one hundred applications for our summer scholarships. We thank all those teachers submitting dossiers; we are deeply aware of the interest shown the SHF. Every effort will be made to increase the effectiveness of our society. Since the beginning of this school year, about seventy-five new schools have established chapters of the SHF.

If you plan to attend the SHF meeting at the Martinique convention, please notify me, perhaps by telephone at (205) 264-7658 or upon arrival at the convention. The election of officers is on the agenda, but we would also like to hear your suggestions for improvement.

Along with the lists of prize winners, you will also find in this issue the list of chapters (chapter number follows name) and some items chosen from the Annual Reports, which we hope you will find interesting.

Yvonne D. Harvey, President, SHF

Scholarships and Prizes

Award I

This award entitled "Connaissance de France" will take Miss Suzanne Greenspun to Paris and to Gravelines (Nord) where she will be engaged in activities relating to "le milieu marin."

She is a senior at Walt Whitman Sr. High School in Bethesda, Maryland, where her SHF sponsor is Mrs. Estelle Stone.

She is currently the president of the SHF chapter in her school and plans to study French this fall at Harvard University.

We are most grateful to Mr. G. Roubichou of the Services Culturels Français in New York for this most interesting scholarship. The SHF helped Suzanne with a travel grant of \$400.

Award II

Mr. Larry Joseph, a senior from Rolling Hills High School in Rolling Hills Est., California, will be going to the Alliance Française in Paris this July. His SHF sponsor is Mrs. Susan Tyree.

Scholarships and Prizes

Free tuition is being extended Larry by Mr. Maurice Brueziere, Director of the Alliance Française, and we wish to thank him warmly. A travel grant of \$400 and the demi-pension are being paid by the SHF.

He, too, is currently the president of the chapter of the SHF at his school. He is planning to continue his studies in international law or business.

Award III

The new scholarship being offered by Mr. André Guimond of the Délégation du Québec in Los Angeles has been awarded to Miss Marcia Bradford. Marcia is a junior at the J. F. Webb High School in Oxford, North Carolina, where her teacher is Mr. Robert Smawley.

Marcia is active in French Club and SHF and plans to bring details of her visit to Québec back to her French classes next year. She will be spending part of her summer at the Collège des Jésuites in Québec.

The SHF provided a \$300 travel grant to supplement her award.

We are indeed grateful to Mr. Guimond for the generosity his government has shown us and, in particular, for his help in choosing a program for our student.
