The Mike Novak Memorial Scholarship

**Matthew Pitre**

*University of Central Florida*

ACAF Scholarship

**FLORIDA ASPHALT**  
Scholarship Program

### Scholarship Fund Update

Every year, our Florida Asphalt Scholarship Program committee comes together to award four scholarships to incoming college students. We give a preference to those students whose parents are part of the Asphalt Contractors Association of Florida, Inc. This shows our commitment to supporting the success of our next generations and families who are working hard within the Florida Asphalt Industry.

Recipients

We keep our Scholarship Fund going thanks to our annual Sporting Clays Tournament, which is a big event for us. We rely on support from industry companies and individuals who participate in the tournament. This support allows us to keep giving out thousands of dollars every year to the next generation of students.

### 2023 FASP Sporting Clays Tournament

We're happy to share that we raised \$21,760.36 from our 2023 FASP Sporting Clays Tournament. This success is all thanks to the generous support of our sponsors and individuals, who participated in this annual event. You are helping us invest in the education and future careers of these young students.

With your ongoing support, we're confident that we can continue making a difference in the lives of these talented students and in our home state of Florida.

Thank you for standing with us in our mission to shape tomorrow's leaders right here in Florida.

### Thank you 2023 Sponsors
