

Scholarship Fund Update

This year, the Florida Asphalt Scholarship Program saw a significant increase in applicants, and we are proud to have awarded a total of nine scholarships to students from ACAF member companies.

View Current & Past Scholarship Recipients

Providing scholarships is one of the ways we invest in the future of the asphalt industry and support the next generation of leaders and innovators. By helping students pursue higher education, we contribute to their personal and professional growth, which ultimately benefits the entire industry. These scholarships are a reflection of our commitment to education and workforce development, ensuring that the Florida asphalt community continues to thrive for years to come.

Our Scholarship Fund is sustained through the annual Sporting Clays Tournament, which has grown to become one of our most anticipated events. This year, we are especially thankful for the increased participation from both companies and individuals. Their generosity and enthusiasm have allowed us to expand our scholarship program and provide more financial assistance than ever before. The success of the fundraiser means we can continue making a meaningful difference in the lives of students, empowering them to reach their academic and career goals.

2024 FASP Sporting Clays Tournament

We're happy to share our program has raised \$32,874.14 from our 2024 FASP Sporting Clays Tournament.

This success is all thanks to the generous support of our sponsors and individuals, who participate in this annual event. You are helping us invest in the education and future careers of these young students.

With your ongoing support, we're confident that we can continue making a difference in the lives of these talented students and in our home state of Florida.

Thank you for standing with us in our mission to shape tomorrow's leaders right here in Florida.
