

ACAF TECH TALKS

Quality Control Roadway Report (QCRR): Back to the Basics with Richard Hewitt, P.E.

Topics Covered:

- *What the QCRR is, why it was developed, and how it changed previous practices*
- *How the QCRR is used by quality control staff and inspectors throughout a project*
- *How often the QCRR is updated and what information is entered by QC.*
- *How inspectors review the QCRR and what they are responsible for saying*
- *Basic data entry - entering project information, paving/spreadrate entries for base, structure, and friction*

Friday
May 15, 2026

Time
1:00 - 2:00 PM EST
