

Hello fellow members of ACEC/NC.

Your ACEC/NC Junior Board of Directors recently completed its 2024-2025 term, and we'd like to take this opportunity to give heartfelt farewell to our outgoing board members, celebrate all they accomplished over the past year and look forward to the exciting things to come in the new term.

From our popular socials, informative "lunch and learns", meaningful peer connection opportunities and by taking active roles in ACEC/NC events we believe we've made great strides towards energizing engagement and accomplishing our mission to promote and develop diverse industry involvement and leadership within ACEC/NC.

Over the past term, the ACEC/NC Junior Board of Directors hosted numerous avenues for developing professionals to network, improve their skills, and get involved with ACEC/NC, including:

- Developing Professional Socials
- Soft Skills Lunch and Learns
- DP Connect (Peer Connection Program)
- PAC Fundraisers
- 1st Annual Partner's Gala

Mission Statement:

To Promote and develop diverse industry involvement and leadership within ACEC/NC from a broad range of demographics, disciplines, and geographies within the engineering community, specifically focusing on younger professionals.

We are especially appreciative of our 2024-2025 Junior Board Partners. Our programing would not be possible without you. With your help, events programed over the past term by the Junior Board attracted over 450 total attendees and over 340 unique professionals.
