Sponsorship Opportunities 2026-2027

The American Council of Engineering Companies of Pennsylvania (ACEC/PA) is the only association devoted exclusively to the promotion and enhancement of the business interests and profitability of engineering firms with offices in the Commonwealth of Pennsylvania.

Your support of ACEC/PA not only provides exposure for your company, but also allows our organization to act as a strong, unified voice for the profession, while providing the necessary tools and educational opportunities to enhance your business.

Thank you for considering these sponsorship packages. Please feel free to contact our office and we can assist you in deciding which opportunities best meet the needs of your business.

FutureNOW

FutureNOW is a new program initiative of ACEC/PA that is open to early-career engineers with 15 years or less of experience. Our mission is to create an exclusive and engaging ACEC/PA environment where early-career engineering professionals develop leadership skills through targeted learning experiences and meaningful networking, fostering both personal growth and organizational impact. Our vision is to empower the next generation of engineering leaders through exceptional access to learning, collaboration, and industry connection—driving innovation and advancing the profession across Pennsylvania. For more information, visit our website at www.acecpa.org/future-now.

Program Sponsor **$1,000**
