\* Advertised in 2025 but no inspection/management until 2026

# ***CONSULTANT EXPECTATIONS***

- **Present potential issues early**
- **Stay persistent**
- **Help us develop our newer staff members**
- **Help us “do more with less”**
- **Team Approach**
- **Submit Final Invoices in a Timely Manner**

# ***CHAPTER 102 RENEWAL-NPDES GENERAL PERMITS***

- **VSIR Requirements**

- App was updated to include new inspection requirements (Late December 2024)

- **Designee Changes**

- Designee overseeing the work must be independent from the operator (co-permittee) responsible for the construction or installation of SCMs on a project site

- **SCM Sign-Offs**

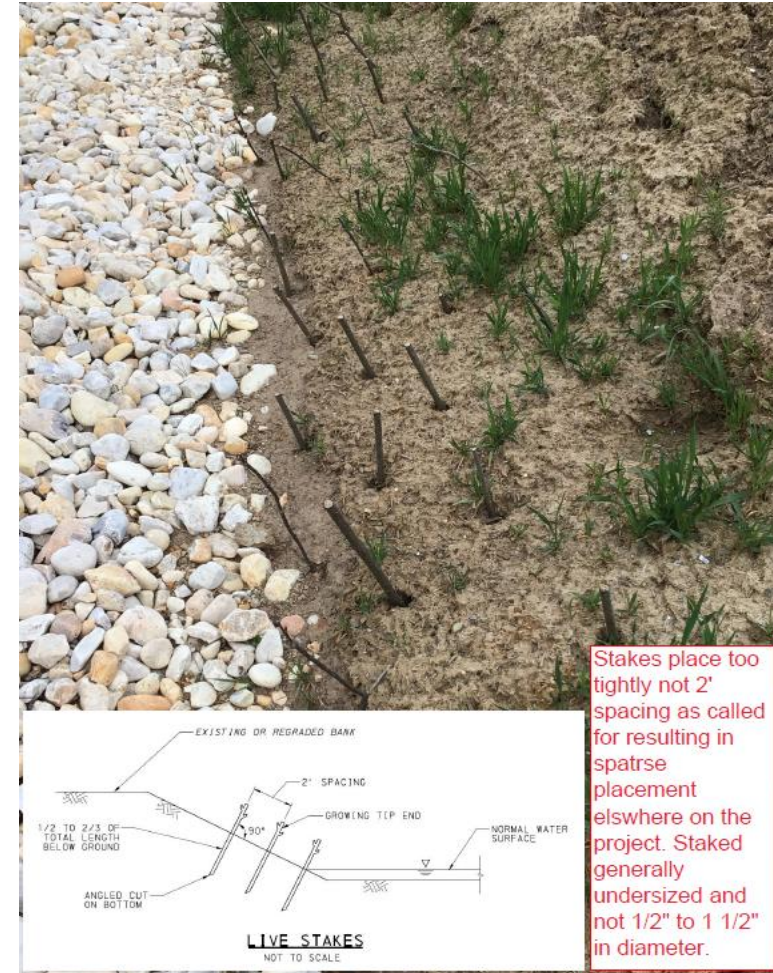

- DEP's SCM Construction Certification Form must be completed and submitted to DEP/CCD within 30 days of construction completion for each SCM
  - PennDOT D8 is mandating 21 days per Special Provision to allow for PennDOT processing
  - A new submittal type will be added to PPCC for contractors to upload the form
  - ADE of Construction will sign the form

# GREATER EMPHASIS ON PLANTINGS

- Reoccurring issues with plantings and seeding
- Mandatory pre-planting and pre-seeding meetings with contractor
- Special provisions being added to contracts for watering, herbicides application, and mowing
