ACEC/PA Announces New 2026–2027 Board of Directors

The new Board Members were inducted at ACEC/PA's 2026 Annual Leadership Meeting

Harrisburg, PA — The American Council of Engineering Companies of Pennsylvania (ACEC/PA) is pleased to announce its 2026–2027 Board of Directors, which was officially inducted on June 16, 2026, during the association's Annual Leadership Meeting held at Boar's Head Resort in Charlottesville, Virginia.

The Board of Directors is composed of leaders from Pennsylvania's consulting engineering community who are dedicated to advancing the engineering profession, advocating for sound public policy, and strengthening the business environment for engineering firms throughout the Commonwealth.

Leading the organization for the coming year as President is **Rosanna Smithnosky, P.E., of Susquehanna Civil, Inc.**, who succeeds Immediate Past President **Michael Girman III of AECOM Technical Services, Inc.**

The full 2026–2027 ACEC/PA Board of Directors includes:

- **President:** Rosanna Smithnosky, P.E., of Susquehanna Civil, Inc.
- **President-Elect:** Eric Meyer, P.E., Whitman, Requardt & Associates, LLP
- **Vice President:** Casey Moore, P.E., Bowman Consulting Group, Ltd.
- **Treasurer:** Anthony Dougherty, P.E., Traffic Planning and Design, Inc. (TPD)
- **Secretary:** David DiGioia, P.E., RETTEW Associates, Inc.
- **Immediate Past President:** Michael Girman, III, of AECOM Technical Services, Inc.
- Larry Bankert, P.E., P.T.O.E., Kimley-Horn and Associates, Inc. (*Central Director, At-Large 2026-2028*)
- Cathy Farrell, P.E. (*Eastern Vice-Chair, Region Director 2026-2027*)

- Jeremiah Fritz, The Markosky Engineering Group, Inc. (*Western Vice-Chair, Region Director, 2026-2027*)
- Daniel Laird, The Mannik & Smith Group, Inc. (*Western Director, At-Large 2026-2028*)
- Matthew Macey, P.E., SAI Consulting Engineers, Inc. (*Western Chair, Region Director 2026-2027*)
- Eric Martz, P.E., KCI Technologies, Inc. (*Central Vice-Chair, Region Director 2026-2027*)
- Kenneth McClain, Alfred Benesch & Company (*Eastern Chair, Region Director 2026-2027*)

- Jeffrey Roken, Urban Engineers, Inc. (*Eastern At-Large Director 2025-2027*)
- Joshua Wilson, ATCS PLC (*Central At-Large Director 2025-2027*)

"I am honored to serve as President of ACEC/PA and represent the talented engineering professionals who help design, improve, and maintain the infrastructure that keeps Pennsylvania moving." said Rosanna Smithosky, 2026-2027 ACEC/PA President, "As we look ahead, our focus remains on strengthening our industry through advocacy, workforce development, and collaboration while ensuring our member firms have the resources and support they need to thrive. I look forward to working alongside our Board of Directors and membership to advance the engineering profession and build a stronger future for the Commonwealth."

About the American Council of Engineering Companies of Pennsylvania

The American Council of Engineering Companies of Pennsylvania (ACEC/PA) is the statewide business association representing consulting engineering firms throughout the Commonwealth. ACEC/PA advocates for the engineering industry, provides professional development opportunities, fosters industry collaboration, and promotes the critical role engineers play in designing and improving Pennsylvania's infrastructure and communities.

Representing more than 120 independent engineering firms and over 11,000 professionals, ACEC/PA serves as the voice of Pennsylvania's consulting engineering industry. Through advocacy, education, networking, and leadership development, the association works to advance the business interests of engineering firms while promoting the value of engineering excellence.
