2025-2026 Membership Dues

ACEC/PA Affiliate dues are a flat rate of \$1,913.00 per member.
ACEC Firms dues rate for firms with one employee is \$617.

Index Number for Member Firms

Member firm dues are calculated based on the number full-time equivalent employees (FTE) they have working within locations in PA. FTE = total employee hours worked in the last 12 months/2080. This is the total number of hours worked by all employees in the firm in all offices within the state within your last fiscal year. For example, if your firm's total employee hours worked is 200,000, you divide that number by 2,080 and your result is 96.15 which you would then round up to 97. Your FTE = 97.

The chart at right provides a partial listing of FTEs and associated index numbers.

The maximum Index No. for ACEC/PA is 129.9 based on 5,000 FTEs

Base Dues

Every PA member firm will pay a flat **base rate of \$500.00** in addition to their calculated dues based on Index.

Membership Dues (Index)

Dues are determined by multiplying the Index Number by:

ACEC/PA Dues - \$359.01

ACEC Dues - \$481.26 (National org.)

For example, the total yearly dues for a 12-person firm would be:

ACEC/PA Dues - $(4.14 \times 359.01) + 500 = \$ 1,986.30$

ACEC Dues - $4.14 \times 481.26 = \$ 1,992.42$

Total = \$ 3,978.72

ACEC has estimated that the portion of its annual dues that should be considered non-deductible as "lobbying expenditures" will be 27% for FY 2025-2026. ACEC/PA has estimated that the portion of its annual dues that should be considered non-deductible as "lobbying expenditures" will be 15% for FY 2025-2026.

Contributions or gifts to ACEC/PA and ACEC are not deductible as charitable contributions for income tax purposes. However, they may be deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying activities.

Membership dues are billed annually at the beginning of the fiscal year (July 1). First year dues will be prorated based on initial membership date.
