

## Jerry West

Jerry West serves as the Director of Nelson County Parks and Recreation and is the current President of the Blue Ridge Tunnel Foundation. In his leadership roles, he oversees the management and stewardship of the Blue Ridge Tunnel Trail, one of Virginia's premier outdoor recreation and heritage tourism destinations.

Jerry is deeply committed to preserving the rich historical legacy of Claudius Crozet's engineering masterpiece while expanding public access to its recreational, educational, and economic benefits. Through his work, he continues to champion the Blue Ridge Tunnel as both a treasured historic landmark and a vibrant regional asset that connects communities, celebrates engineering achievement, and enhances outdoor recreation opportunities throughout Central Virginia.
