

Lydia R. Zabrycki

Lydia has been in the engineering industry for over 19 years. She was a principal in two engineering firms, served as a chapter president for ACEC California and was a trustee for the ACEC Retirement Trust. Lydia specializes in industry-leading 401(k) solutions that help ACEC member firms turn their 401(k) programs into a powerful employee benefit tool that attracts top talent, reduces unnecessary fees, decreases fiduciary liability and increases employee satisfaction. She educates ACEC member firms on how they can maximize the value of their retirement plan through the ACEC Retirement Trust in ways they can't achieve on their own.
