

Christopher J. Kufro, PE

Christopher Kufro is a 1995 graduate of Drexel University and a registered Professional Engineer in PA.

He's been with PennDOT for 29 years and has held many positions in District 5-0, including DE, ADE for Design, District Bridge Engineer, and District Geotechnical Engineer

In December of 2021, he was promoted as the DE for District 8-0 and led a team of 1100 employees which covers the Harrisburg region including 8-counties in South-Central PA.

In April of 2023, he came back home to District 5-0 to assume the role as District Executive.

He directs a team of 775 PennDOT employees and responsible for maintenance, construction, and delivery of transportation improvement projects in Berks, Carbon, Lehigh, Monroe, Northampton, and Schuylkill counties.

He is a member and chair of the Pennsylvania Interstate Steering Committee.

He is also chair of the Reading Area MPO Coordinating Committee, vice chair of the LVTS MPO Coordinating Committee and is a voting member in the NEPA MPO.
