

Kevin M. Keefe, P.E.

District Executive, Engineering District 8-0, PennDOT

Kevin has worked for PennDOT for 33 years and has worked in District 8 since 2008. Kevin was named District Executive in April 2024. Kevin directs a team of over 1100 employees in the 8-County area in Southcentral PA and is involved in the Design, Construction, Maintenance and Operations of over 5,200 miles of roads and over 3,400 state-owned bridges. Prior to being named District Executive, Kevin was the District's ADE of Construction, Construction Services Engineer, District Structure Control Engineer and the

Assistant Structure Control Engineer.

Kevin's Education background includes a Bachelor of Science Degree in Structural Design/Construction Engineering Technology from Penn State – Harrisburg ('92) and an Associate Degree in Surveying Technology from Penn State – Wilkes-Barre Campus ('90).

Kevin currently resides outside of Duncannon, Pa and is a proud father of 4-boys. He has coached youth soccer, baseball, wrestling and football all in the Susquenita School District and has held several positions on various organizational boards for the youth within Susquenita.
