

Meredith Biggica

Meredith Biggica became the Deputy Secretary for Multimodal Transportation in March 2023. She provides oversight for Department initiatives and policy related to public transportation, aviation, rail freight, passenger rail, bike/pedestrian and ports. After earning a degree in Communication Studies from West Virginia University, she joined the Pennsylvania Department of Health in the Office of Legislative Affairs in 2004. Meredith then moved to the PA Department of State where she served as Director for the Office of Legislative Affairs.

Meredith later joined the PA House of Representatives where she served as Executive Director of the Professional Licensure Committee before stepping into her role as Executive Director of the Transportation Committee in January 2011.
