

William L. Beaumariage, P.E.
Assistant District Executive – Construction

Bill Beaumariage serves as the Assistant District Executive for Construction at PennDOT Engineering District 12, where he leads a dedicated team of 70 professionals in overseeing the Department's construction activities across four counties. With over 34 years of experience at PennDOT, Bill has developed a deep expertise in both design and construction disciplines.

A 1992 graduate of the Pennsylvania State University with a Bachelor of Science degree in Civil Engineering, Bill is a licensed Professional Engineer in the state of Pennsylvania. Throughout his extensive career, he has held several key positions, including Bridge Design Squad Leader, Senior Project Manager, Portfolio Manager, Plans Engineer, Design Services Engineer, and Construction Services Engineer.

Bill's broad experience and leadership have been instrumental in managing and executing a wide range of complex infrastructure projects, contributing significantly to the development and maintenance of the region's transportation systems.

Outside of work, Bill resides in Uniontown with his wife, Cindy. They enjoy spending time with their three grown children. An avid outdoor enthusiast, Bill's hobbies include camping and hiking, reflecting his deep passion for nature and the outdoors.
