SUBJECT: Estimating Manual (Publication 352)
June 2014 Edition

TO: District Executives

FROM: Brian G. Thompson, P.E. /s/ Melissa J. Batula
for Director
Bureau of Project Delivery

The Bureau of Project Delivery's Project Schedules, Specifications and Constructability Section is releasing the June 2014 Edition of the Estimating Manual, Publication 352. The June 2014 version of Publication 352 is available electronically (.pdf file) on the Department's website at: [Pennsylvania Department of Transportation](http://www.pennsylvania.gov/transportation/forms-publications-maps) under Forms, Publications & Maps.

Publication 352 assists those involved in preparing pre-bid estimates and construction schedules. Chapter 7 has been updated to include information regarding pre-bid schedule meetings and construction schedule items. Publication 352 will be effective for all projects let after September 1, 2014.

Questions concerning these changes may be directed to Kelly Barber, P.E., Acting Chief for Project Schedules, Specifications and Constructability Section, at 717-787-5810 or via email at keluckenbi@pa.gov.
