Please join us on **September 20, 2024**, to learn how to be successful by participating in PennDOT's DBE Mentor Protégé Program (MPP). The program is for DBE subconsultants or potential subconsultants who want to connect with a prime consultant in a mentoring arrangement.

Prime consultants are encouraged to attend and meet potential DBE subconsultants protégés.

**Interact, Mingle, and Develop New Mentor and Protégé Partnerships**  
**Meet and Greet PennDOT Officials**

### Workshop Goals:

Further develop new and underutilized DBE's in the consultant industry

Communicate ProRank services available

Communicate DBE goals for consultant agreements

Discuss awareness of state and federal workforce development initiatives

Formal and informal technical assistance exchange between Mentors and Protégés

Help Protégés become registered business partners with ECMS and develop their overhead rate
